

Firmenprofil *Making Movies*

Making Movies is a production service company based in New Zealand. We have offices in Auckland and Queenstown and are able to assist with all aspects of production. *Making Movies* was established in 1989 and since that time we have worked with directors and producers from around the globe and our knowledge of New Zealand and the Pacific is second to none. We have supplied production services across genre including high end commercials, documentaries, theatrical features and drama's.
